Andrew, would 9:00 am Pacific on Tuesday work? We could also start at 9:30.

Jim,

Unfortunately I was just heavily scheduled for Monday. I am generally available on Tuesday, if there is time that works for you then. Or, I could be available at 9 Pacific on Monday.

Best,

Andrew, could the 3 of us talk on Monday at 10:00 your time? If that works, should we call your office?

Jim and Adam,

We discussed speaking this week to follow up from our conversation regarding OUI past costs at the Anaconda Copper Mine. Today I am only available between 3-4 Pacific, but tomorrow could be more generally available if you have a time to speak. I know that my client will be anxious to hear about our conversation, so if we can't speak this week, early next week would be ideal. I am generally available Monday and Tuesday.
